Make Your Voice Known... VOTE ... November 7

Fiscal Responsibility... *I will not support higher taxes.* North Carolina must balance its budget **without tax increases and robbing the Highway Trust Fund.** The outrageously high gas tax also hurts our families and must be rolled back.

Protecting Traditional Marriage... I will sponsor an amendment to the North Carolina Constitution which **protects traditional marriage between one man and one woman.**

Illegal Immigration... I believe North Carolina must have a **tough policy** on illegal immigration. It is **not the responsibility of North Carolina taxpayers** to provide free education; health care; and driver's licences to those **who break our laws.**

Child Protection Law... I will fight for legislation (*Jessica's Law*) **to protect our children** from sexual predators with tough sentencing laws. Convicted predators would be sentenced to a **minimum term of 25 years to life in prison.**

Protecting Property Rights... I will sponsor an amendment to the North Carolina Constitution which would **prevent local or state governments from seizing private property** through eminent domain for the purpose of private development.
