Dear Mr. Brooks:

Thank you for sending me your 2006 survey and seeking my input on such important issues. During the 2006 cycle it is my intention to make it a general rule not to answer questionnaires.

I was fortunate enough to be elected to serve in the state senate and I will continue my commitment to working on issues that move North Carolina forward. As always, I will listen to your input and concerns with an open mind when issues important to you come before the General Assembly.

Please feel free to contact me if you have any questions or concerns.

Sincerely,

A handwritten signature in cursive script that reads "Vernon Malone".
