Dear Mr. Brooks:

As a legislator, I am committed to serving the best interests of the constituents of my district and the citizens of this state. In doing so, **I must view every issue from all sides**. Consequently, I stopped completing questionnaires, surveys, and pledges years ago. Each tends to limit my response in certain situations rendering me unable to make appropriate decisions for changing conditions that occur in the unknown future and ultimately adversely affect the wellbeing of this state.

Additionally, my record as to where I stand presently, on various issues, is available to the public on the Internet.

Sincerely,

A handwritten signature in cursive script that reads "Charlie S. Dannelly". The signature is written in black ink and is positioned above the typed name.

Charlie S. Dannelly
